**Supplement to the Summary Prospectus, Prospectus,
and Statement of Additional Information (“SAI”),
each dated April 30, 2026**

NOTICE OF CLOSURE AND LIQUIDATION

The Board of Trustees of ETF Series Solutions Trust, has approved a proposal by Little Harbor Advisors, LLC, the investment adviser to the LHA Risk-Managed Income ETF (a “Fund”), to close and liquidate the Fund on or about July 27, 2026 (the “Liquidation Date”). Shares of the LHA Risk-Managed Income ETF are listed on the Cboe BZX Exchange, Inc.

Effective on or about July 14, 2026, the Fund is expected to begin liquidating their portfolio assets. This may cause a Fund to increase its cash holdings and deviate from the investment objective and strategies stated in the Fund’s prospectus.

The Fund will no longer accept orders for new creation units after the close of business on the business day prior to the Liquidation Date, and trading in shares of the Fund will be halted prior to market open on the Liquidation Date. Prior to the Liquidation Date, shareholders may only be able to sell their shares to certain broker-dealers, and there is no assurance that there will be a market for a Fund’s shares during that time period. Customary brokerage charges may apply to such transactions.

On or about the Liquidation Date, the Fund is expected to liquidate its assets and distribute cash pro rata to all remaining shareholders. These distributions are taxable events. Shareholders should contact their tax advisor to discuss the income tax consequences of the liquidation. In addition, these payments to shareholders will include accrued capital gains and dividends, if any. As calculated on the Liquidation Date, the Fund’s net asset value will reflect the costs of closing the Fund, if any. Once the distributions are complete, the Fund will terminate. Proceeds of the liquidation will be sent to shareholders promptly after the Liquidation Date.
